APPLICATION FOR STUDENT FUNDING

A joint initiative between the Operators' Radiation Committee (ORC) and the Australasian Radiation Protection Society (ARPS)

The aim of this initiative is to enable ARPS and the ORC to provide financial support to students to foster their radiation protection interests. This application provides the mechanism to apply for this support.

The following are examples of how funds may be used to support students:

- financial support to conduct work experience for a radiation protection industry
- attendance at an ARPS conference or workshop (both national and State)
- attendance at another radiation protection related conference, training course or workshop
- 1 x annual membership to ARPS, including HP subscription
- 1 x annual membership to SPERA
- professional development training
- financial support to complete certain radiation protection subjects or projects

Note: Funding preferences will be directed towards works and studies in practical radiation protection in the minerals industries.
